

Fall Fundraising Campaign 2019

October 24, 2019

Dear Families,

Thank you for all you have been doing to help get this school year off to a great start! We are fortunate to have so many engaged families supporting our students in the classrooms, on the playground, at events, and through the Parent Teacher Organization (PTO). **Another important way you can support our school community: give to the fall fundraising campaign.**

Did you know that money raised by the PTO funds valuable programs and resources that benefit our students, families, teachers, and staff? Without your support, many of these would not be possible, including the school's snack pantry and milk fund, our Hmong and Latino Parent Empowerment Groups (PEGs), enrichment opportunities like student clubs, resources for innovative learning projects, and so much more.

Help us meet our goal to raise \$23,000 for our schools. No gift is too small. Every dollar makes a difference. **Let's get to 100% participation.**

YOU CAN GIVE TO THE FALL FUNDRAISING CAMPAIGN BY:

- enclosing a check (made out to: Franklin-Randall PTO) in the attached envelope, and sending it back in your child's Friday folder
- donating securely online at franklinrandallpto.org
- asking your employer to match your donation to double your impact

The Fall Fundraising Campaign runs Oct. 24 – Dec. 6, 2019. Gifts are tax-deductible.

HOW YOUR DONATION CAN HELP

- \$5 – buys a book for the school library
- \$25 – grows the outdoor classroom
- \$50 – funds important classroom materials
- \$250 – provides after-school transportation so children who want can participate in clubs
- \$300 – brings children, families, and teachers together for Super Science Saturday
- \$1,000 – supports the Franklin-Randall Social Justice Fund, directed by school social workers to assist families with basic needs in times of crisis
- Other amount: \$ _____

Thank you for your support!
